May 17th is our final Messy Church before summer. The theme is an eco-friendly, reduce/reuse/recycle, love-our-earth extravaganza. Weather permitting, we'll be outside, warming hotdogs and toasting marshmallows over the fire, finishing our kindness rock garden, planting, painting and repurposing some items in fun ways. Just wait and see what we'll do with old t-shirts. **We need old t-shirts that are still in decent shape**, so please clean out your closets and place them in the bin where we hang our coats.
